Update on the Call Process

The call committee held three pastoral candidate interviews (via zoom) on December 30 and January 24. The call committee has agreed on a candidate to present to the congregation to consideration/voting on making a official call. More information about the candidate will be presented at the special voters meeting scheduled for February 6. In the meantime, any of the committee members would be more than glad to answer any questions you might have.

During our season of waiting, join us in prayer....

***Holy Spirit, we invite you in this place. We honor you
and ask that you come into our hearts. Give us words
to speak and ears to hear your word. Let us trust
in you, especially during this important time in our
church. We pray in your Son's name, Jesus Christ our Lord. Amen.***
