***Update on the Call Process***

On October 12, the Call Committee conducted an interview with a pastoral candidate and his wife. The Call Committee unanimously supported issuing a Divine Call to this pastor. This recommendation went forth to the voters at a special congregational meeting held on Sunday, October 17 following worship service. Pastor Harmon and ALC President, Brian Schrag updated the congregation on the interview, the candidate, the ballot that would be voted on, and answered any questions. The vote was unanimous to issue a Divine Call to the pastoral candidate that was interviewed. The call documents have been mailed as of October 18. It is appropriate protocol to allow for 30 days for a pastoral candidate to consider a call. Any of the committee members would be more than glad to answer any questions you might have.

During our season of waiting, join us in prayer....

***Holy Spirit, we invite you in this place. We honor you  
and ask that you come into our hearts. Give us words  
to speak and ears to hear your word. Let us trust  
in you, especially during this important time in our  
church. We pray in your Son's name, Jesus Christ our Lord. Amen.***
